### Free Internet Browsing On DSTV, HITV AND MYTV

#### Internet browsing N1.000 Monthly

You can now browse the internet for just N1.000 monthly, any where in nigeria 24/7 with you MTN,Zain,Glo (Modem) Nokia or Gprs enabled phone, with very fast speed and unlimited doanload

Further details [Click Here](#)

Technology has made so many things possible, if you have DSTV, MYTV OR HITV you do not need to wast money on internet subscrbtion, you can browse the internet at a very fast speed better than MTN FAT-LINK & STARCOMMS IZAP

You can network over fifty computer in your office or cyber cafe and still browse at thesame speed because the connection is braodband and not Dail up connection. There is opportunity for any one who want to learn how to configure it, you will be making additional income for yourself without stress
